#PIZZALIEBE

RESTAURANT • ABHOLEN • GARTEN

since 2003: PIZZA AN DER UNI

We are the parent company of the former PADU Pizza Group!

For more than 20 years, PADU INNSTRASSE has been known in Passau and the surrounding area for its huge wood-fired pizzas. If you can't manage the large 38cm pizza, you are welcome to share it with a second person - even topping each half differently - or simply take the rest home with you.

There are also numerous other dishes from Italian cuisine, such as antipasti, pasta, salads, tiramisu and seasonal specialties.

We only use real mozzarella - lactose-free, by the way - and fresh ingredients from local suppliers.

Our pizzas are baked at around 276 degrees in an original Italian wood-fired oven with beech wood - and that's exactly what gives them their unmistakable taste! Everything right in front of our guests' eyes.

We wish you pleasant hours and a great culinary pleasure with perhaps the best pizza.

Of course, our food and drinks are also available to take away
